Our Story

The Grand View Hotel, established in 1864, was owned by the McLean Family from 1919 – 2018. The first owner BJ Magee (Bernard John) lost his sight at age 60, and his daughter Mary Kathleen (May) and her husband John Norman McLean took over after selling their property Pinnacle Station outside of Mackay. The history of the area has always been at the forefront of the hotel and can be found hanging from the hotel walls and through the stories of the visiting locals.

The Grand View's history of being destroyed twice by fire and twice by cyclone only added to the charming resilience of this astonishing building, which then led to Baz Luhrmann's famous Hollywood film Australia, starring Nicole Kidman and Hugh Jackman being filmed here in 2007. Bowen also played an important part in Australia's WWII efforts by providing a base for the Catalina flying boats of the Royal Australian Air Force and with the Air Force base situated just outside the Hotel, the Grand View Hotel was a welcome sight for many.

Now, owners Waymark Hotels, believe that the best experiences are shared, whether together with loved ones or among new friends and are committed to offering the highest quality, authentic experience.

Our restaurant prides itself on featuring fresh local seafood, prime cuts of meat and seasonal produce. The fish markets are located just 500 metres from the Hotel where our seafood is purchased daily, ensuring only the best quality seafood from local and Australian pristine waters. Bowen is also famous for its rich agricultural land and grazes some of the healthiest cattle and grows some of the best quality fruit and vegetables in Australia, earning itself the title 'fruit bowl of the north'.

Our place, is yours to enjoy.
